

Job Description: Colegio Británico de Sevilla

Job Title: English Language Assistant

Start Month: January 2020

Duration: 3 months

Website: <https://colegiobs.eu/>

Location:

Urb. La Juliana, parcelas 40 A y B,
41110, Bollullos de la Mitación,
Sevilla

Company Description:

Colegio Británico de Sevilla is a British education centre providing private education for children aged 3 to 18. The school utilises the internationally recognised British education system, each of them designed to cater the educational needs of its target age group and provides them with an environment to grow and develop their skills.

Role Description:

During the 13-week internship, the participant will be heavily involved in the daily running of the school. They will assist the teaching staff with preparing classroom materials, or even teaching various subjects themselves. They will also have to assist children in the School's dining room, as well as to invigilate during playtime. They may be asked to organise sport and other extracurricular activities for the children and to supervise them. Because the British centre is in a town in the outskirts of Seville, days can feel long because of the commute. A DBS/Background check will be required if accepted for the position.

Required Applicant Profile:

- Excellent social skills
- Spanish knowledge is useful but not necessary as communication will be in English
- Happy to work with children between the ages from 3 to 4
- Ability to multitask
