Company Description:

Kids and Sports are an English teaching school that implement learning through physical activity. Embodying the mentality that children learn best whilst active, they offer variety in activities ensuring there is something for everyone. A practical learning environment allows for the kids to not only learn a new sport, but also a new language in a truly special and organic setting. The activities in which they offer are rhythmic gymnastics, ballet, football, Judo, flamenco and dance providing a diversity of activities to choose from granting everyone the opportunity to learn.

Role Description:

During the 13-week internship, the participant will be working as an English teacher for children from 4 to 12 years old. The teaching environment at Kids & Sports is not a conventional one, participants will be involved in all sports carried out at the school whilst reinforcing English learning to make classes fun and interactive. A DBS/Background check will be required if accepted for the position.

Required Applicant Profile:

- Positive outgoing personality
- Interest in sports
